KEY INSIGHT

This is the only segment where **Market Size**, **Competitive Gap**, and **Product-Market Fit** all converge at maximum. Affordable pricing **₹299** meets real need, at a scale no competitor is addressing today.

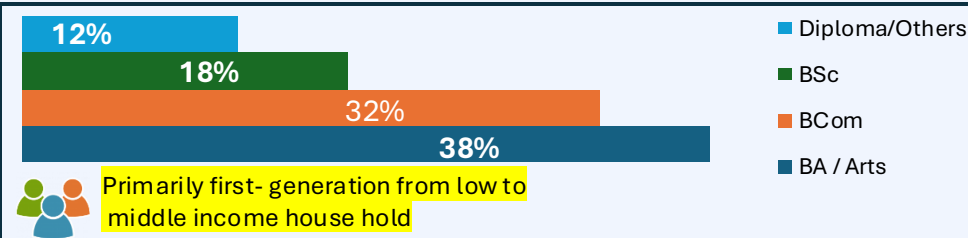

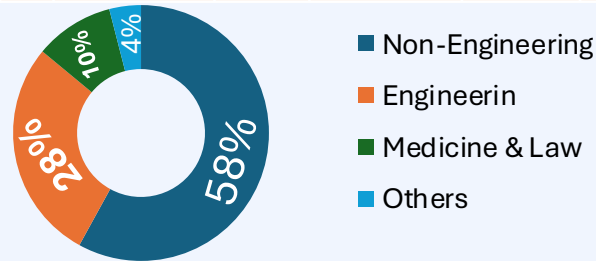

TARGET SEGMENT & INSIGHT

Why Cell F (Tier 3 Non-Engineering) is Our Highest-Potential Opportunity

SEGMENT ANALYSIS – 2 x 3 PRIORITY MATRIX

All 6 cells scored across 3 key dimensions (Total Score out of 15)

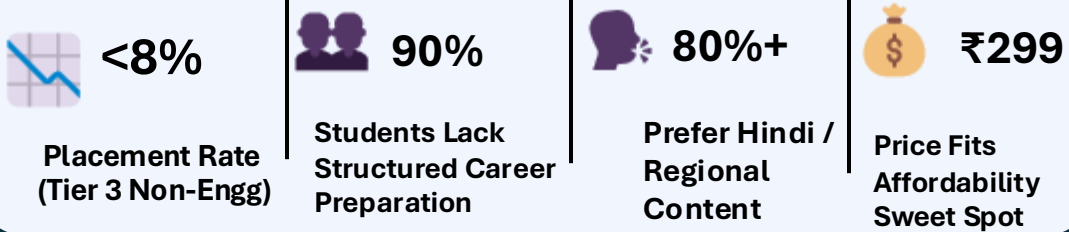

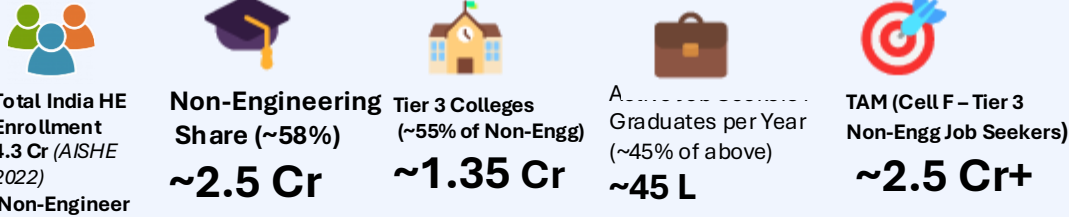

CELL	SEGMENT	TAM EST.	STUDENT COUNT(EST)	WTP LEVEL	PLACEMENT RATE (EST.)	COMPETITIVE INTENSITY	SCORE(/15)			
							MARKET SIZE	COMPETITIVE GAP	PMF	TOTAL SCORE
A	Tier 1 Engg/MBA	18 L	18 L	HIGH	85%	Very high	2	2	2	Over-served, low room for differentiation
B	Tier 2 Engg/MBA	45 L	45 L	MED-HIGH	30%	High	3	3	3	Real pain in Tier 1 peers; multiple alternatives exist
C	Tier 3 Engg/MBA	85 L	85 L	MEDIUM	15%	Medium	4	4	5	Weak infra, high aspiration; strong PMF opportunity
D	Tier 1 Non-Eng	30 L	30 L	LOW-MED	35%	Medium-high	3	3	4	Better networks; multiple options partially serve
E	Tier 2 NonEngg	90 L	90 L	LOW-MED	20%	Medium	4	4	5	Strong unmet need; works if role-specific paths offered
F	Tier 3 Non/Engg	2.5 CR +	2.5 CR +	LOW	<8%	Low	5	5	5	Max score across all dimensions (15/15); Top priority

Cell F is the only segment where Market Size, Competitive Gap, and PMF all peak together.

KEY TAKEAWAYS

Large players (Naukri, LinkedIn) dominate discovery but offer no preparation solutions.

No existing player solves all 3 modules end-to-end for Tier 3 non-engineering students.

Affordability + Vernacular + Role-specificity = Pehchaan’s unfair advantage.
